

WILDCATS

Yay!

FULTON

You'll be serving Miss Evans.

CHAD

Shu' up!

FULTON

I most certainly will not! Now, get this kitchen ready for lunch or your first day will also be your last! Understood!?!?

WILDCATS

Sir, yes Sir!

(The Wildcats jump. Fulton smiles and leaves. The Wildcats let out a big communal groan.)

TAYLOR

Okay, that man officially scares me.

KELSI

Elevator music scares me!

MARTHA COX

It's gonna be tough to bump and lock when I'm slicing and dicing.

CHAD

(to Troy, incredulous)

Dude, did you tell Fulton we won the League Championships?

TAYLOR

Reality check, *mon ami*: that stuff doesn't matter in the real world.

TROY

Seriously, guys, Fulton said there were Wildcat fans at Lava Springs and jobs were available. I had no idea Sharpay's dad owned the place.

ZEKE

I can't believe she broke up with me. But I know how to win her back: with my secret-recipe chocolate-chip cookies!

CHAD

Have a good time. Me, I'm outta here. Who's coming with?
