

**TROY**

That's fantastic, Mr. Fulton, but who are we caddying for?

**CHAD**

Dude, for fifty dollars, I'd caddy for Godzilla.

**FULTON**

Close. Very close.

#15 Transition: To Golf Course 2

**SCENE 6: GOLF COURSE — AFTERNOON**

*(Ryan and Sharpay warm up at the first tee.)*

**RYAN**

What a gorgeous day! Hey, we're still on for "Humuhumu" rehearsal later, right?

**SHARPAY**

Right, but don't you think it's kinda hard to wrap your lips around all those Polynesian words?

**RYAN**

Hey, it'll be worth it when we win the Star Dazzle Award.

**SHARPAY**

Unless Troy and Gabriella beat us out again, like they did for the winter musical.

**RYAN**

Hmmm... who was it that got them hired? Oh, right: you!

**SHARPAY**

That was the old-new-old me. Now I'm the new-old-new-old-new me again...

*(loses herself)*

... or something.

**RYAN**

Shar, it's just a stupid talent show. Who really cares about it?

**SHARPAY**

It's not about the talent show, it's about them vs. us!

**RYAN**

You mean you vs. her.

**SHARPAY**

This is my territory, Ryan. I'm going to blow Gabriella off the stage and win Troy Bolton and the Star Dazzle Award — which I really don't care about anyway.
